

Die vlieg teen die muur The fly on the wall

Newsletter (4)
September 2007

Since our previous newsletter we experienced many changes at Greytown Children's Home. New children, staff changes, happy and sad moments, good and naughty children, great and unpleasant surprises.

As a golden thread through all of it we experienced the presence and power of Jesus Christ and the wonderful support of our friends, communities and donors. Thank you very much to each and everyone who contributes to the happiness and care of our children and staff. You are very dear to us! On one of the freezing cold mornings here in Greytown I suddenly realized how privileged Greytown Children's Home is to be able to say that all our children sleep tight, dress cozy and eat very well. Thank you to you all!

Our saddest moment was when our previous editor of this newsletter, Basie Rothman, passed away. He was the initiator of this newsletter and we will have to work very hard to walk in his footsteps.

Sit back and enjoy our fourth 'Fly on the wall'.....

SIEKEBOEG ... WAG OM BETREK TE WORD !

Vir 'n klompie jare was hierdie 'droom' so half in die agtergrond geskuif. Maar vergeet? Nee, altyd so 'n kopuitsteek van .. miskien is die area beter vir die kliniek.. of... miskien moet ons kyk na... " wanneer daar so oor die terrein gekyk word. Ons kliniek is in wording... die afwagting is groot. Yes, Greytown Children's Home is going to have a sick bay on the premises! One of the existing buildings on the premises will be transformed into a sick bay where our children will be treated for minor injuries, contagious diseases and other ailments.

Be sure that "The Fly on the wall" will be keeping you up to date on the progress of this exciting project. An amount of R52 600 has already been raised in aid of this project. Some projects were:

• **Juli Albrecht**, one of the German volunteers still has a keen interest in the Home. With the help of friends Juli and her parents started an organization called "Siyabonga—Laughing Hearts for South Africa" and donated a much appreciated sum in aid of our Sick Bay. Thank you, Juli.

The Nyala Shooting Competition is organised annually by a committee of volunteers in aid of our Home as well as the Natal Children's Home in Pietermaritzburg.

This year they contributed towards our sick bay project. Thank you for your hard work and generous donation.

Langenhoven's Pizza Den", which was a great success. Thank you, Langenhoven

Several individual donors have contributed as well. With all these generous contributions we surely look forward to a wonderful new facility on the premises.
